Am Bull of the month

Edie Am Bull DOB 2011 Chessington Kennels

Arrived in a terrible state along with her Mastiff partner. She had a major operation of corrective surgery from which she has made a full recovery. Edie pulls on the lead ...she is a go getter...her confidence is growing. She has excellent quality food & she is emerging as a magnificent dog. Bright days ahead. Was fostered & enjoyed off lead. **Darling**

[Charlie AmBull DofB TBAss Gatwick Kenns](#) Charlie boy arrived in October having been at least a year waiting for a Rescue place. He mixes well with dogs and is a very personable lad. He is concerned during travel and likes items in his kennel toys etc to own and settle him. Charlie is anxious to find a caring family and deserves not to wait a long time. If you buy a puppy its less time commitment than Charlie **Charlie boy**

[Heathcliff Am Bull DOB 2013 Broxbourne Kenns](#) Heathcliff is special ...don't take our word for it he really is. He moves his back side like an articulated lorry back & forwards on meeting everyone. He likes to meet dogs as well even the littlies. Social boy who puts his 'hands' on your shoulders & licks your nose like a big clown /best friend attitude. **What a Joy**

[Jordon Crossbreed DOB 02.2013 Gatwick Kenns/ Dartford Weekends](#) Leggy puppy dog 3 years old & has spent 2 years in kennels waiting for his home. Needs more exposure to life as he can be suddenly knocked off his feet witnessing something or new he feels unprepared for. Great with dogs learning to be careful with his play which can get too powerful for others but once integrated into life kennel energy will dissipate. Love this boy Gatwick Kenns **Goonie**

[Skye Deaf AmBull DofB 2014 Guildford Kenns](#) Skye is a young bouncy and well meaning graceful girl. She has been deaf since birth so she is very well compensated and has very alert peripheral vision so she is not 'disabled' other than she must never come off lead as alarm and warning calls would never be heard. Needs a garden and possibly could live with a neutered male. Has lurcher type feel about her **Beautiful**
