Churchill Am Bulldog DOB 2007 Gatwick Kenns New arrival. Churchill grew up with 3 other dogs. Lost his home because a step daughter didn't like him and she moved in, so Churchill had to move out. Been in kennels for 3 years whilst his owner tries to resolve situation. Sadly now up for rehoming so Churchill can have a family life again. Oh YES!

Shelley Am Bulldog DOB TBAss Newbury Foster Shelley is settling in foster away from kennel s where she was scarred and had every reason to be as we had to fight to save her life. Relaxed and affectionate and wow what a looker. 3 weeks into foster Shelley promptly came into season so we are working through that and nearly ready to spay her. She loves all people. Magic

Edie Am Bull DOB 2011 Godstone Kennels Arrived in a terrible state along with her Mastiff partner. She had a major operation of corrective surgery from which she has made a full recovery. Edie pulls on the lead ..she is a go getter...her confidence is growing. She has excellent quality food & she is emerging as a magnificent dog. Bright days ahead. Was fostered and enjoyed off lead. **Darling**

Jordon Crossbreed DOB 02.2013 Gatwick Kenns Leggy puppy dog About 2 years old & has spent 1 year in kennels waiting for a Rescue place & now for his home. Needs more exposure to life as he can be suddenly knocked off his feet witnessing something or someone new he feels unprepared for. Great with dogs learning to be careful with his play which can get too powerful for others but once integrated into life kennel energy will dissipate. Love this boy Broxbourne Kenns **Goonie**

TimmyTim Am Bulldogx Staffie DOB ?2010 Broxbourne Kenns found on Xmas Eve 2011 tied to a tree as a 1 year old dog. Happy around dogs & so wants to trust humans and has many friends. Still needs a measured approach to build his trust meeting new people's sudden movements. Once he cares for you he is a close friend: Not for children; Adult home who can promote his trust building. Timmy Tim has a huge heart & our experienced dog walkers love him as he loves them. Timmy Tim needs a new start as near 4 years in kennels. Has so much to offer & has come so far. **Gem**
