Terrierrescue of the month April 2017

Jack JRT DofB 2014 Gatwick Kennis a Jack was kept outside in his early 2 years then given to a family with Kids/ Kats and K9s he lasted 1 week and was dumped at the vets Surface nerves but soon comes around. Managed in the vets without muzzle **Charmer**

Arthur JRT x DOB 2012 Gatwick Kenns Rescued from a flat with very young children, Arthur had retreated to the bedroom. Facebook appeal "to be put to sleep" Stepped forwards & met a frightened boy desperate for love. Homed for 9 months then a Behaviourist advised dropping a tin of pebbles beside him when he went to react!!! Result Arthur's fear of people returned! Arthur has settled around roads, & joins 6 terriers every weekend. We will find a special kind & understanding person who will accept & support him. Arthur is so affectionate overcoming his fears again. **King Arthur**

Barley Parson's JRT DOB 2007 Gatwick Kenns Rescued from a non doggie family into a family where he lived happily in the kitchen with access to the garden but new relationship prompted his displacement. Barley is a lively personable JRT who is a little unsure about too direct contact but initiatives affection & needs respectful reference. A terrier person will gauge trust & negotiate meetings. He truly loves life & his new home will open out his life so he can enjoy nature & all it offers him. Fostered as an only pet for nearly a year now back in kennels. **Opportunity knocks**

Basil Patterdale DOB 01.2009 Guildford Kenns Keen & alive. Found stray now developing dog skills. Basil rubs alongside other dogs on his parallel walks, our policy is to keep terriers moving if they are not super confident. Basil can get upset with running dogs about & is easily managed with his little muzzle on. Basil was well cared for in foster, now weekend foster, weekdays in kennels in Guildford. He gets concerned with men carrying things in their hands e.g. log, hairdryer dustpan & brush. Just needs care as he obviously is threatened by this mainly tolerant. Bright beady eyes to capture your heart! **Baz!**

Benny Toy Terrier x DofB 2007 Kingston upon Thames Foster Tiny Benny is so attractive with his 2 tone beige, bright eyes & curly tail. Benny was too fearful in kennels so his fosterer is giving him love, warmth & support. Adores his walks delving into leaves & charging ahead on the extender. He is now settled with 2 resident dogs. Still shy on his walks around dogs & will settle to parallel walking but have a pop just to message his 'fear & concern' to message the other. Early days! **Brilliant**

Bentley Patterdale DOB ?2013 Gatwick Kenns

Bentley started his life living with his Pattie father & a Lurcher. Bentley was 'worked' & so has keen hunt instincts so is on cat watch when out & needs commitment to retain on an extender, waist lead or double lead to ensure his safety. Safely secured in a car in transportation & terrier proof garden ideally 6' panel fencing. Now wears a muzzle in public as long term kennelling has taken its toll on his relationship with dogs sadly. Patterdale owners know all this & we are looking for a Patterdale family where safety is key to their thinking & living.

Prince

Biscuit Terrier x Shih tzu DofB 2013 Feltham

Foster Biscuit is a cookie, a brandy snap! An opinionated boy with heaps of character. Biscuit adores dogs wants to meet; wants to play. Noisy in his play & can bond strongly protecting access to his friend with grumbling & teeth showing. Typical terrier takes himself very seriously & needs a sense of humour & an approach to allow him to loosen his attitude & subject changed so he relaxes again. Will chase people bikes etc given a chance so its vital he isn't given a chance. Needs a terrier aware family with at least one other dog. **Custard Cream**

Briony Crossbreed x Terrier DofB ?2015 West

Moseley Foster Abandoned in a vets with her female Staffie friend who may have been her mother. Both were very underweight and neglected. Briony is now spayed and prepped for homing. We know she has good dog skills but at the moment she is a little barky seeing dogs as she isn't anchored in her current situation. Soft dear dear soul **Brilliant**

Flint JRT DofB 2011 Chessington Kennels Just arrived. Easy boy who looks like he has been pulled through the mill. Needs to gain trust and then is your best friend. Not for young children as too reticent for that. **Terrier / Flint of the earth!**

Fredds JRT DofB 13.6.13 Gatwick Kenns Fredds is a stunning chap who has all the looks with a patch work coat of soft with patches of long silky fur. Fredds was found stray & was terrified in kennels. He has learned to trust within his foster home & is settling walking with other dogs & mixes well with dog inside. Fredds needs a skilled family who understand loving kindness & to respect his nerves with seeking his permission & 'in his time' which terrier people understand. Not for children. Learning to trust but can do nips is unsure & finds he can trust & they change to licks. **Diamond**

George Patterdale DofB 2015 Chessington Kennels Just arrived Easy gentle boy good with people and dogs. He is a terrier but for a terrier experienced family very much on the easy side. Housetrained, lost his home through no fault of his own. **Brilliant**

Izzy JRT DofB 2013 Hemel Hempstead Foster Izzy is sensitive and hand shy but soon bonds and trusts with positive affirmation. Meets dogs well and would enjoy living with at least one other. We think she was stray for sometime as he instinct is to find a bush and hide within it. Poor love such an ordeal for her. **Izzy in a Tizzy**

Jack JRT DofB 2014 Gatwick Kenns a Jack was kept outside in his early 2 years then given to a family with Kids/ Kats and K9s he lasted 1 week and was dumped at the vets Surface nerves but soon comes around. Managed in the vets without muzzle **Charmer**

Kevin Patterdale DofB 2013 Bognor Regis Foster Kevin arrived as a frightened boy he is settling with us & definitely he is sensitive. Learning to trust & comes when gently called and soon trusts. Now in foster with another Patterdale, cats & children & is very successful! **Kindness**

Leo Red Fell Terrier DofB 07.10.11 Oban Scotland Och aye Leo the little lion. Born an only dog with his owners devoted & enjoy the outdoors life then the baby came! Another terrier just not coping with tremendous changes. Terrier people would easily be able to work in with Leo & what a tremendous life he has to offer you. He is seeking the good life he knew & can offer you that! **Tartan Boy**

Lester Patterdale DofB 8.3.12 Guildford Kenns Lovely vibe from a sensitive boy. Lester has a whippet look possibly Bedlington element in his breeding. As with Patterdales he needs terrier proof 6' panel fencing to enjoy the freedom of play & search. Must be controlled on a lead with responsible management. Is muzzle trained after an incident which meant he lost his home. Lester is a tender soul & will people a Pattie fan or help a family understand the Patterdale mind providing risk management is key to ownership. **Lester Pickett!**

Maggie Patterjack DofB 05.11.12 Cinderford, Glos Maggie has found herself in a busy family who are a little taken aback by her terrieriness. She has frequently escaped the house through front doors, gates & ofcourse dog encounter with adrenaline flowing having gone well. She has a spaniel companion & 2 young children there with her but as is so often brilliant in the house & judged to be 'Terrier' outside. Sparky barky on sight of other dogs but can harmonise once she is supported to form trust. **Maggiemay**

Max Patterjack DofB 01.07.12 Guildford Kenns

Max is a PatterJack Tiny boy with a dynamo. He delights on every turn & twirl. He is learning to tolerate dogs but is not happy for them to intrude without his casual acceptance. Using a muzzle as he is fostered with a lot of off lead dogs unnerving him. He shows his little teeth & looks a darling as he messages "please don't come near". Little Max is gentle & kind around humans & is easy to lift & cuddle. Brilliant little man. **Brilliant little Max**

Mika Bedlington x Fell Terrier DOB 21.01.11

Richmond Foster Ever the puppy which is very engaging. A real 'Fella'. Mika is very devotional & wears his heart on his sleeve. A different dog in the home where he is obedience, fantastic company & very well trained. Mika needs a responsible family, terrier proof garden & security around front doors & back gates. Excited around dogs but meets well & currently fostered with 4 others. Mika can divert on to his walker if hyped e.g. seeing a cat so for this reason he wears a muzzle outside which he is tolerant of. He may have some whippet genetics as he runs like the wind. Fantastic person(s) will come forwards where keeping on a lead & a muzzle just isn't a problem because Mika is so worth it. Meanwhile he waits whilst having fun **Eureka**

Pablo Sterrier DofB 11.11.11 South London

OwnHome Pablo grew up with a Staffie bitch & 3 children teenagers to baby now toddler. He needs to be kept on a lead outside & a 'terrier' person to manage his terrier excitement meeting dogs in the park. Pablo now urgently need another home as he is being left 11 hour shifts & isn't getting the exercise he so thrives on. Needs companionship & give an experienced dog family total loyalty & love. **Heart-throb**

PipSqueak Patterdale DofB 02.15 Broxbourne

Kenns A little lad who arrived very thin and mesmerised to be in kennel life. Gentle manner and meets dogs well. Settling into Rescue. Still has those 'puppy' eyes. **Pattie Magic**

Polly JRT DofB 2012 Chessington Kennels Just arrived seems to be an ex-puppy farm little girl as frightened of her own shadow. Very gentle but probably needs the company of other dogs to learn from and believe in. **Put the kettle on!**

Scooby JRTx Corgi DOB 11.06.10 Dormansland Foster Scooby lost his home as ADDH son had tantrums & was intrusive over Scooby's space. This has left Scooby with difficulties. He is playful with his owners but can have rules around food so needs a simple management. Intolerant of metal grating noises e.g. cars, washing machine or metal gates. Scooby is special needs. He loves routine but owners should be prepared as he can have moments when he seems incensed, which stillness calms him down. **Mr Bean!**

Sheldon Tri-colour JRT DofB ?2013 Guildford Kennels Sheldon was abandoned in a property living in an unheated out-house in his own excreta for 2 years with a weekly visit with food dumped in. Yes his owner had mental health problems but we are told he had a life before that existence & that shines through. He can live alongside other dogs but plays hard & this can be misread. He is noisy & forthright & could accommodate. Either only dog or supportive terrier savvy owners. **Dazzling**
