**S.O.S. Standing Order Shout: Help! Us Out!** Please take one.....

**Rescue Remedies** rescues death row dogs which often have higher vet bills and longer kennel bills before finding their loving home. Our dogs come from pounds, found stray and would be needlessly put to sleep.

We are dependent on people like you who care and go out of their way to ensure the Rescue survives.

Can YOU either call or set up via your internet connection a one-off payment or a standing order would help us tremendously. We have no paid workers or expense claims. Donations go directly to pay our vet or kennel bills. Our bank account details are below. Thank you!
